

Impact

The Change Catalyst

When you are Tilting in IMPACT it means that you currently appear to be focused on connecting IDEAS and RESULTS, and your top two character strengths are seen as Confidence and Creativity. This combination indicates that you may be focused on inventing new solutions that demonstrate your ability to link disparate pieces of information into meaningful expressions of your creative imagination. Your current behaviors are conveying that you appear ready to take risks and want to drive a new idea into action quickly. You may be experiencing a pressing need to follow your gut instinct regarding your hunches.
