WHO SHOULD ATTEND THIS WORKSHOP

Any intact team with members who have attended our Tilt Presence workshop may complete the Tilt Strategies for Teams workshop. These teams should also consider completing the Tilt Influence workshop, depending on their objectives.

BENEFITS OF THIS WORKSHOP

- Increased team productivity, creativity, and innovation.
- Improved relationships, reduced silos, and faster conflict management.
- Identified habits that drive and accelerate team performance.
- A framework and common language for real talk and courageous action among team members.

WHAT TO EXPECT

- An engaging learning experience that brings the Tilt Framework alive in the room for increased engagement and rapid learning.
- Exploration of your strategic goals on a validated visual framework.
- A fun and playful approach that enables courageous dialogue and honesty.
- Insights about what you need to stop doing or start doing to become more agile.
